Dear family .....

Dear.....!

The start in the kindergarten is a new situation for every child that has to be dealt with. For your child it is, in addition, the encounter with a foreign language, with other manners and forms of behaviour.

It is our goal to show you and your child, that you and your child are welcome.

So that you and your child can get to know the kindergarten and we teachers in advance, we cordially invite you to a play afternoon.

If you and your child would like, we can gladly arrange with you for further "play afternoons" in our kindergarten.

We look forward to seeing you!

Yours sincerely,

Your kindergarten team .....
