

Off to a good start into the new school year

E-Books and Vocab Work

Look forward to

- plenty of authentic, useful, classroom-ready English
- lots of ideas, tips and handouts to take away
- fun and motivation through learning from and with each other

Topics covered:

- **Focus on Farm Management** goes digital - using the E-Book in class.

E-Books on the *digi4school* platform - preliminaries

Finding your way around the E-Book version of *Focus on Farm Management*

How does the E-Book support competence-based and self-directed teaching and learning?

- Focus on **Vocab Work**

Working with and building up vocabulary – best practice examples from various sources (books, digital)

Helping students discover vocab strategies that work (best for them)

Of course we'll also be looking at some fun bits and interesting video clips - and have proper afternoon tea
