FRANZ CIBULKA

6TH INTERNATIONAL FRANZ CIBULKA MUSIC COMPETITION

COMPETITION FOR CHAMBER MUSIC IN DUO OR TRIO FORMATION

OCTOBER 12 – 14, 2024

GRAZ | AUSTRIA

FRANZ CIBULKA COMPETITION

The International Franz Cibulka Music Competition aims to promote the challenging compositions of the Styrian composer Franz Cibulka (1946 - 2016) and to support young musicians who aspire to an international career. The focus of the competition changes every year, alternating between solo and chamber music interpretations of Cibulka's compositions. In 2020 the competition had to be cancelled due to the Corona crisis. It was successfully held in the autumn of 2021. After the 4th competition for woodwind ensembles in 2022 and the 5th competition for guitar in 2023, the 6th International Franz Cibulka Music Competition in 2024 will be dedicated to the chamber music oeuvre in duo or trio formations.

EDITION 2024

The 6th International Franz Cibulka Music Competition is intended for chamber music ensembles, and there is also a youth category.

The musical scores can be downloaded from www.artofcibulka.com or www.konservatorium.steiermark.at.

In the **first round**, one of the compulsory pieces and other freely chosen pieces in the same instrumentation must be performed for a total duration of 15 minutes. In the **final round**, the best five ensembles will perform either the same or a different compulsory piece by Cibulka and other freely chosen pieces (chamber music works, no solo concertos with accompaniment) from at least two different stylistic periods. The total duration of the performance must be 20 minutes.

A **youth category** has been established for chamber music groups with an average age of 18 years (the age of individual participants must not exceed 19 years). This youth competition takes place in only one round. One of the compulsory pieces mentioned above and at least one additional piece of free choice must be performed by the same ensemble for a total duration of at least 10 minutes and at most 12 minutes.
